

Engineering Careers

Is Atmos Energy a good fit for you?

Atmos Energy is always seeking out quality individuals to join our team. The success of our company can be directly attributed to our greatest asset – our employees.

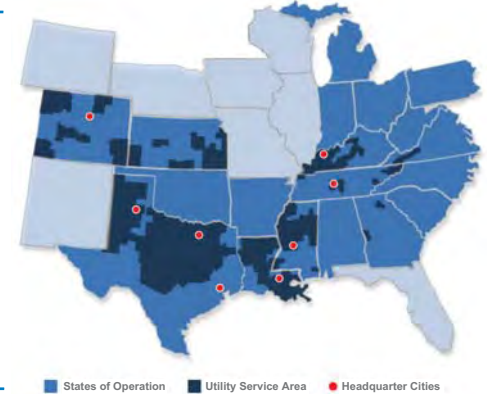

If you are looking for a career instead of just a job, thrive in an environment of mutual respect and collaboration, and desire more from your daily work experience than logging time – then we would like to speak to you.

There are numerous opportunities within Atmos Energy for qualified engineers. Contact us to start the discussion.

Atmos Energy Corporation

We are one of the country's largest natural gas-only distributors, serving about 3 million natural gas distribution customers in over 1,400 communities in nine states.

“The culture of Atmos Energy provides our foundation and our future.”

Bob Best
Executive Chairman of the Board

Why choose Atmos Energy?

We hire talented people and provide them with career development opportunities, training and the tools necessary to do the job. Atmos Energy is committed to providing a positive work environment and helping you to reach your maximum potential.

The values of Atmos Energy are reflected in our vision and our culture - which we call Atmospirit. This culture is what sets Atmos Energy apart from other companies.
